Governor Passport

My name is:
Mrs Sam Chan

What made you want to become a governor?

I wanted to become a parent governor to gain a greater understanding of how the school operates and to have an insight into the children's educational path and their wellbeing. I am very much hoping to be able to have a positive input, and to give my views and opinions. I'd like to participate in their learning years and to follow their progress. I'd also like to learn new skills, and gain knowledge in new areas and to gain a sense of achievement. I also feel this role allows me to give back to society.
