Miss George

What is your job at Leybourne Chase?

My job is to teach the children in Panda Class how to learn and to also help them have fun.

What did you want to be when you were younger?

I wanted to be a teacher. I would always gather my younger brother and his friends to make registers and pretend that I was the teacher. I also wanted to be Snow White, hopefully that will happen one day.

What made you want to become a teacher?

I just love helping young children to learn and explore. We have SO much fun at school so I am very lucky to have the best job in the world.

What is your favourite food?

My favourite food is probably shepherd's pie or a lovely roast dinner!

What is your least favourite food?

My least favourite food is probably coconut, yuk!!

What hobbies do you enjoy?

I love to read lots of books; it is my favourite thing to do. I also enjoy going on holiday and exploring new countries.

Do you have any pets? If not, what pet would you like?

I have a pet dog named Betty. She is big and fluffy and very sweet. I will show you lots of photos when you come to school.

What do you like best about teaching at Leybourne Chase?

Leybourne Chase is my favourite school to work at because the pupils and other teachers are super kind and we have the most fun here.

What were your favourite subjects when you were at school?

I loved science, I like to find out new things and make messy experiments. We can do lots of potion making in Panda Class.

What is your favourite book and why?

My favourite book is probably The Dinosaur that pooped a planet. It makes me laugh each time I read it!

What is your favourite place in the world, and why?

My favourite place in the world is Greece. They have the most beautiful beaches and delicious food.

If you were on a desert island, what would you take with you?

I would take a cup of tea and some biscuits!!

If you could give a message to the children starting school, what would it be?

You are going to have so much fun and make lots of new friends. We cannot wait to meet you and to help you learn

😊 See you soon!
