Miss Holyome

What is your job at Leybourne Chase?

I am an HLTA, and I am very lucky in that I have worked with just about every child in our school!

What did you want to be when you were younger?

I always wanted to work in a shop, or be a journalist. I always liked the idea of working with people.

What is your favourite food?

Oh bread, bread and more bread!

What is your least favourite food?

Curry, no contest. It is the favourite food of my whole family too!

What hobbies do you enjoy?

Shopping (can that be classified as a hobby?) Reading, anything creative!

Do you have any pets? If not, what pet would you like?

I have a Cavapoo called Louis, who looks like a sheep. He's very stubborn but cute enough to get away with it!

What were your favourite subjects when you were at school?

I loved English and History. I hated when we had to cook.

What is your favourite book and why?

I love anything by Charles Dickens and Shakespeare; those guys know how to tell a story! 'Holes' by Louis Sachar is a great read too!

What is your favourite place in the world, and why?

My favourite place is anywhere where my family are. As long as I have the people I love, I'm okay.

If you were on a desert island, what would you take with you?

That's a tough one! I would maybe take a survival expert with me and a bottle of sun cream.

If you could give a message to the children starting school, what would it be?

We know exactly how you feel, because we've all been there. I promise you that we are nice and you will be looked after. We have so many fun lessons and you will be able to learn and enjoy at the same time.
