

Rights Respecting School Award

5.7.2019

Article Focus:

On Friday last week, the whole school took part in a 'Pyjama Day' to raise money for Great Ormond Street Hospital - the charity that Year One chose to support this term. To share their learning towards supporting the hospital, Year One shared their class assembly with the school and parents on Wednesday this week. The children explored the important work that Great Ormond Street do to support children to ensure that they all have a future. The class made links to the fact that the hospital is important as all children should have the opportunity to education and play and to grow up healthy and happy.

Inspired by this, the children then shared their hopes and dreams for the future and what they want to be when they grow up. Some ideas included:

- A nurse
- A footballer
- A firefighter
- A motorcyclist
- A head teacher

The children finished their assembly with a performance of 'When I Grow Up' from the musical Matilda.

The class' work towards supporting this charity managed to raise a total of £167. This money goes towards things such as: providing accommodation for families, providing toys for the playroom and resources for the classroom in the hospital.
