

RRSA Steering Group Minutes

12.10.21

What was discussed?	Actions to be taken.
<ul style="list-style-type: none">• Voted for the steering group badges that the children designed. Talked about how we are a democratic country and us putting forward our votes is democratic.• Discussed the playground rotas that we put into place towards the beginning of term. On the whole, these are working well, however, we want to discuss these with our classes further to get their opinions.• We went through the ideas in the ideas box and prioritised them. We recognised that books for the library and club suggestions were the main topics being shared in the box. We have agreed as a group that we will action these first.• Discussed doing an assembly to share the steering group with their badges and to define their roles further. We also want to discuss the role of the playground charter further to ensure that everyone understands.	<ul style="list-style-type: none">• Miss Carlow to create the badges for the steering group.• Speak to classes about what is working now on the playground and if there is anything they want to adapt.• Run an assembly over the next week or at the beginning of next term to formally introduce the role of the steering group further.• Speak to classes about what books they would like in the library.• Have a meeting at the beginning of next term to discuss clubs.
