

Art

In art, we are going to be exploring the work of Henri Rousseau – focussing on his depictions of the rainforest. We will be studying the colours and textures that he creates and will be using this to inspire our own painting of the rainforest. (Article 29)

English

This term, we shall be reading Beowulf and writing our own Saxon Sagas. We will learn how to use colons, semi colons, hyphens and some advanced sentence structures. (Articles, 28, 29, 12)

Computing

This term we are going to be using technology for research and presentation. We are going to be using a range of programs to allow us to do this and will be conducting safe internet searches. (Article 17)

Year 6 term 1

Science

This term we shall study the circulatory system and conduct an investigation into the effects of exercise on the heart. (Article 28, 29)

Geography

This term and following into term 2 we are going to be exploring the rainforest. We are going to be looking at where the rainforests are in the world, the rainforest as a habitat, its structure and will also be focussing on issues such as deforestation. (Article 17, 28)

PE

In PE this term, we will be developing our netball skills, including: defending, marking, attacking, shooting, passing and ball skills. (Article 29)

RE/PSHE

In RE we are going to be looking at Christianity, focussing on the story of creation. Our PSHE focus is on strengthening communities, where we will be exploring what a community is and what communities we belong to. We will also be discussing the role of our rights in day to day life. (Articles 14, 30 and 15)
