

## Year 2 Homework

Due: 16<sup>th</sup> March

This week's Schofield and Sims weekly booklet will be Grammar. You may complete two pages if you wish.

This week's spellings are the same as those which should have been tested last Friday, the first 20 common exception words from the Year 2 or Year 1 list stapled into their red books.

Practise finding fractions of amounts and linking this to their previous division knowledge.

$$\text{E.g. } \frac{1}{2} \text{ of } 6 = \underline{\quad}$$

$$6 \div 2 = \underline{\quad}$$

Messages: Thank you SO MUCH for your very generous contributions. We really appreciate your generosity and it will go to a very good cause – saving lives from the potential life-threatening consequences of malaria.

We raised over £140 – thank you again for this generosity.
