

Year 2 Homework

Due: 18th May 2018

This week's Schofield and Sims weekly booklet will be Maths.

This week's spellings are in a sticker in your child's red book.

In addition, next week we will be completing the Arithmetic and Reasoning SATS papers so please keep practising + and – of 1 and 2-digit numbers, e.g. $3 + 19$, $34 + 26$, $67 - 24$ etc.

For multiplication and division, all questions will be around the 2, 5 and 10 times tables. E.g. 3×5 , 10×2 etc.

Also, please continue to practise telling the time at home to the nearest five minutes, preferably on an analogue clock rather than a digital clock. E.g. It is 5 minutes past 9, 15 minutes past 2, half past 9 etc.

Messages: Please ensure uniform is clearly labelled. Every day we have spare uniform that isn't labelled and very hard to give back to the child who owns it.
