5. Definition of bullying

Bullying is “Behaviour by an individual or a group, usually repeated over time, that intentionally hurts another individual either physically or emotionally”. (DfE “Preventing and Tackling Bullying”, November 2014).

Bullying can include: name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours. This includes the same inappropriate and harmful behaviours expressed via digital devices (cyberbullying) such as the sending of inappropriate messages by phone, text, Instant Messenger, through web-sites and social networking sites, and sending offensive or degrading images by phone or via the internet.

Bully is recognised by the school as being a form of peer on peer abuse. It can be emotionally abusive and can cause severe and adverse effects on children’s emotional development.

6. Forms of bullying covered by this Policy

Bullying can happen to anyone. This policy covers all types of bullying including:

- Bullying related to race, religion or culture.
